Receipt is acknowledged of a letter, dated [ ] from [ ] which stated that the final delivery date for the electric motor could not be given since the delivery permit had not yet been granted. However, since [ ] was issued shipping documents, covering 540,000 Deutsche marks for shipment of part of the installation, by its competent offices in West Berlin, it is stated that it is unlikely that a delivery permit would not be authorized [ ] for the entire installation. [ ] is therefore requested to do its utmost to obtain ~~EXEMPTION~~ the authorization for delivery from the competent offices in Frankfurt/Main and Bonn, as well as from those in West Berlin. It is further stated that the terms for delivery over a 12-month period are not acceptable, and that the installation must be delivered by [ ] at the latest.
